- Why are you running it for such a short season?

The game fishing offer at Siblyback remains unaffected by the new operating model.

- Will you continue hosting events?

High quality events that focus on the environment and the wider work of South West Lakes will be an integral part of the offer going forward.

- What about schools and youth groups?

Siblyback provides a fantastic resource for learning opportunities. We encourage any local schools or youth groups to make contact and discuss opportunities.

- Can I still be a member and launch my own equipment?

Yes, memberships are still available and start from £99.00.

- Can I launch my own equipment as a non-member?

Yes, while the summer pay and play offer is open – non motorised insured craft up to 18ft in length are permitted (canoes, kayaks SUP's, dinghies and windsurfers).
